Let Us Pray For:

- Those with health issues: Moira, Michael, Sally, Marie, John, Rosalie, Les, Norman, Judith Bing, Judy Bannister and Judy Martin.
- Personal growth and outreach opportunities.
- The men as they lead the body.
- Our Missionary workers in Fiji and Vanuatu.
- The Coronavirus (COVID 19) as it spreads around the world. We are at level 2 which means a lot more freedom, but we still need to keep our distance. We pray that our faith remains strong or becomes stronger through this period. We remember those who have returned to work. Our hope is in Jesus, may it always continue to remain so.
- Those who are alone and are struggling, May we all reach out them through prayer as well as the phone and internet.
- The people of Vanuatu and Fiji who are suffering not only from the Corona Virus but also the latest hurricane
- 2020 will bring the truth to all those searching and even those who are not aware.
- Sinai is going for her restricted on Wednesday please keep her in your prayers.
- That Kathy’s holiday request is granted so that her hands have time to heal and she can go and see her mother
- Our government, that they do not use this time to pass new laws that will affect the Christian and moral believes of our country. (They have already passed the amendments to the abortion law very quietly).

We will be meeting at Peter (Napier) and Titus's (Hastings) houses as well as online tomorrow at 10:30. If you want to meet at Peter or Titus's houses please let me know and we can give directions.

Meeting times.

FAMILY NEWS

John continues to take one day at a time, has been to Palmerston North this week for Radiation.

Sally is at home but needs a lot of encouragement to return to worship.

Judith is about the same. Has to wait about 2-8 weeks to see a specialist (and that is on the urgent list).

Rosalie is now at home. Now she is home, don't forget to give her a call. She would love to hear from you.

Julie is doing okay, but has been unable to get online on Sunday. Is looking forward to getting back together, hopefully in Level 2.

Raymond is doing okay

Leslie Shirley is her usual bright and cheerful self.

Pilate's are now using the building again on Mondays etc

Something for us all to think about; now we are at level 2, do we resume Worship at the building or do we continue online or a mixture of both (remembering we have quite a few vulnerable brothers and sisters)? If we have service at the building, the seating will be rearranged to meet the required distancing and we will still not be allowed close contact.

Weeks have gone by and its ...

Time to Emerge

By Jan Beaumont

Lock down has not been as hard as I feared
In fact, rather good in a way
It was great to wake up, breathe a sigh of relief
Then sit and relax for the day.

I knew that no guests would just knock on my door
So the house didn't need to look great
I still kept it clean but it wasn't the end
of the world to see one dirty plate!

I could stay up quite late then sleep in the next day
Had the time to just read a good book
Then if I was tired I'd go back to bed
And it wasn't important to cook.

For instead of full meals I was happy to grab
Some quickly prepared little snack
I could go for a walk and breathe in the fresh air
And just take my sweet time getting back!

But the weeks have gone by and I'm ready I think
To get up and then make up my face
Go out through the gate and discover once more
That the world is a beautiful place!
