## Let Us Pray For:

- Those with health issues: Moira, Michael, Sally, Marie, John, Rosalie, Les, Norman, Judith Bing, Judy Bannister and Judy Martin.
- Personal growth and outreach opportunities.
- The men as they lead the body.
- Our Missionary workers in Fiji and Vanuatu.
- The Coronavirus (COVID 19) as it spreads around the world. We are at level 3 which means a little bit more freedom, but we still need to keep our distance and only go out for exercise or allowed shopping. We pray for our mental health during the coming weeks. that people continue to take and don't think they have more freedom, because level 3 is not a lot different to level4 just a few more people out in the work force and some but not all children can go back to school, also there will be some take aways available. We pray that our faith remains strong or becomes stronger through this period. We remember those who have returned to work . Our hope is in Jesus, may it always continue to remain so.
- Those who are alone and are struggling, May we all reach out them through prayer as well as the phone and internet.
- The people of Vanuatu and Fiji who are suffering not only from the Corona Virus but also the latest hurricane
- 2020 will bring the truth to all those searching and even those who are not aware.
